

BUSINESS OR PROFESSIONAL LICENSE
LICENSE YEAR JANUARY 1, 2012 to DECEMBER 31, 2012

Check the [categories sheet](#) to determine which category describes the license you require. Your business may require more than one type of license. Find below the category and method of computing the tax. State the category and indicate your gross receipts in the appropriate section on the [application blank](#) and return to this office not later than **March 1, 2012**, accompanied with the amount of tax prescribed. You will be issued a Town License on a separate form.

The calculation of gross receipts, for the purposes of the business or professional license must be on either a cash or accrual basis, determined by your accounting system. The next preceding year shall normally be the preceding calendar year, January 1, to December 31, or other 12 month period. Whichever choice is made, it must be indicated and must be used consistently thereafter.
