RE: CALL TO ORDER, QUORUM

Chairman Wittwer called the meeting to order and established that a quorum was present.

RE: CONSENT AGENDA

Chairman Wittwer presented the consent agenda consisting of the minutes of the regular meeting of April 14, 2022. He inquired of the Commission if there were any additions or corrections to the consent agenda or if there was a motion to approve the consent agenda, as presented. A motion was made by Mr. Jones and seconded by Ms. Anderson to approve the minutes of the regular meeting of April 14, 2022, as presented. Chairman Wittwer inquired if there was any discussion on the motion. There being none, the motion was approved with the following voting in favor and there being no opposition: For: George F. Wittwer, M. Bradley Tate, Cathy D. Pattison, John W. Jones, Jr., Bradford M. Litton, Lisa K. Anderson, David E. Schmidt. Against: None.

RE: PUBLIC HEARING – SPECIAL EXEMPTION PERMIT – RILEY CONSTRUCTION, INC.

Chairman Wittwer advised that the meeting constituted a public hearing (due notice having been given) to consider the request of Riley Construction Company, Incorporated for a Special Exception Permit to construct approximately 17,000 to 20,000 square feet of additional storage units located at 555 Peppers Ferry Road in a B-1 Business District. Planning Director Woods presented an overview of the area that is subject to construction and the changes that will need to be made to the area. He commented that one of the conditions regarding the existing Special Exception Permit is that there is no outdoor storage. Director Woods noted that metal drums, old tires and inoperable vehicles are on the site, which is a violation of the existing permit. Director Woods advised that the Commission has received a copy of the concerns from Mr. Bill Smith regarding the request for the permit. A discussion was held regarding an overview of the area subject to construction. Mr. Fred Riley addressed the Commission stating that his request does not violate the ordinance that Mr. Smith presented and follows the ordinance guidelines. Mr. Del Crigger with Riley Construction addressed the Commission and noted they have already removed the items that were violating the existing permit and he presented a letter of support from the Wytheville Redevelopment and Housing Authority. Further discussion was held, and Chairman Wittwer inquired if there were any other questions or comments. There being no others to address the Planning Commission on this matter, Chairman Wittwer declared the public hearing closed and proceeded with the agenda.
RE: RECOMMENDATION TO TOWN COUNCIL – SPECIAL EXCEPTION PERMIT

Chairman Witter advised that the next agenda item is the recommendation to Town Council to consider the request of Riley Construction Company, Incorporated for a Special Exception Permit to construct 17,000 to 20,000 square feet of additional storage units on their property located at 555 Peppers Ferry Road, in a B-1 Business District. Chairman Witter inquired if there was any discussion. Director Woods advised that a recommendation should be made to the Town Council that existing trees on the backside of the property should not be cut and new trees should be planted between their property and Freedom Lane to comply with the regulations of the existing permit. A discussion was held regarding the Special Exception Permit request and screening options in regard to the expiring permit. A motion was made by Mr. Jones and seconded by Ms. Anderson to recommend to the Town Council to approve the request of Riley Construction Company, Incorporated for a Special Exception Permit to construct additional storage units, and that the existing trees on the backside of the property should not be cut down and new trees need to be planted between Freedom Lane and the Wytheville Redevelopment and Housing Authority property. Chairman Wittwer inquired if there was any discussion on the motion. There being none, the motion was approved with the following results, by roll call vote: For: George F. Wittwer, Cathy D. Pattison, John W. Jones, Jr., Bradford M. Litton, Lisa K. Anderson, David E. Schmidt. Against: M. Bradley Tate.

RE: PUBLIC HEARING – AMENDMENT OF THE ZONING ORDINANCE- SOLAR ENERGY FACILITIES

Chairman Wittwer advised that the meeting constituted a public hearing (due notice having been given) to consider amending the Zoning Ordinance to include regulations regarding Solar Energy Facilities. Director Woods stated that there have been several inquiries from solar facility operators regarding the requirements within town. He advised that the current ordinance does not specifically address Solar Energy Facilities. Director Woods noted that the ordinance does allow for certain public utility structures that could pertain to this matter. He commented that amending the ordinance will directly address the use of these facilities. Chairman Wittwer inquired if anyone would like to address the Commission during this public hearing. There being none, Chairman Wittwer declared the public hearing closed.

RE: RECOMMENDATION TO TOWN COUNCIL – SOLAR ENERGY FACILITIES

Chairman Wittwer advised that the next item on the agenda is the recommendation to Town Council to consider amending the Zoning Ordinance to include regulations regarding Solar Energy Facilities. Chairman Wittwer if there was any discussion regarding Solar Energy Facilities. Mr. Schmidt inquired what the regulations would be for the Solar Energy Facilities. Director Woods advised that the regulations would include what kind of facility is allowed within different Zoning Districts. Mr. Litton inquired if the Town has received any feedback from any landowners or solar facility operators. Director Woods advised that Town staff has been approached by one company that is interested in the landfill site for a Solar Energy Facility, however, the environmental close out has not been completed. A motion was made by Ms. Anderson and seconded by Mr. Jones to recommend to the Town Council to amend the Zoning Ordinance to include regulations regarding Solar Energy Facilities. Chairman Wittwer inquired if there was any discussion on the motion. There being none, the motion was approved with the following voting in favor and there being no opposition, by roll call vote: For: George F. Wittwer, M. Bradley Tate, Cathy D. Pattison, John W. Jones, Jr., Bradford M. Litton, Lisa K. Anderson, David E. Schmidt. Against: None.
Chairman Wittwer advised that the meeting constituted a public hearing (due notice having been given) to consider amending the Zoning Ordinance to repeal and replace the current Sign Ordinance. Director Woods advised that Virginia State Code has changed the guidelines prohibiting content-based regulations for signage. He stated the current Sign Ordinance will need to be repealed and replaced to meet the new State guidelines. Director Woods noted that Mr. Bill Smith expressed concerns about the elimination of new billboards and expressed that a study has not been conducted regarding billboards. He stated that there are 44 billboards within town limits, and construction permits have been given to construct two new billboards on East Main Street. Director Woods advised that, currently, 16 percent of the existing billboards in town are vacant. A brief discussion was held regarding the amendment of the Zoning Ordinance to repeal and replace the Sign Ordinance. Chairman Wittwer inquired if anyone would like to address the Commission during this public hearing. There being none, Chairman Wittwer declared the public hearing closed.
