After over 30 years of service to the Town of Wytheville, Steve Moore retired at the end of May. Mr. Moore was hired in December 1990 as Assistant Town Manager/Director of Planning and served in this role until he was appointed as Town Manager effective July 1, 2020. His progressive planning, creative vision, and architectural expertise for making the community look modern, yet historically preserved, has contributed to the successful building and design of many beautiful recreation areas and Town facilities that citizens and visitors enjoy today. I want to thank Mr. Moore for his many years of dedication to our community in his previous role as Assistant Town Manager/Director of Planning and his leadership in this past year as Town Manager during the many challenges we faced with the pandemic.

At the April 26, 2021, meeting, Wytheville Town Council appointed Brian Freeman to be the new Town Manager effective June 1, 2021.
