5:00 p.m. to 7:00 p.m.**

Plans for the next two segments of Heritage Walk will be presented. The plans include construction plans for Heritage Walk Phase III, and conceptual plans for the Heritage Walk Museum Connector. Heritage Walk Phase III will connect the existing sidewalks on Tazewell Street at Ridge Road with the E. Lee Trinkle Visitor Center. The Heritage Walk Museum Connector will link the existing Heritage Walk Trail to the Wytheville Heritage Preservation Center, the Thomas J. Boyd Museum and the Haller-Gibboney Rock House Museum along Spiller and Tazewell Streets. The Museum Connector will also serve the former Spiller School Annex, which will become a facility for education and preservation operated by the Wythe County Historical Society. Improvements will also improve pedestrian safety around the Tazewell Street entrance for Spiller Elementary School. Questions and comments from the community are welcome.

The proposed construction plans can be viewed at the Municipal Building, 150 East Monroe Street, Wytheville, Virginia, Monday through Friday from 8:00 a.m. to 5:00 p.m., except for legal holidays.
