

REQUEST FOR BIDS

The Town of Wytheville Department of Museums will receive bids to upgrade the electrical wiring in a residential structure being renovated to serve as a museum. All work must meet the electrical code for the State of Virginia. Interested bidders must be properly licensed by the State of Virginia to perform the work. Work includes evaluating existing wiring, replacing existing panel boxes, installing new electrical circuits, updating existing floor receptacles as needed, and identifying other improvements needed.

Bids will be accepted until **5:00 p.m., Tuesday**, **November 30, 2021**. A copy of the State of Virginia license must be included with the bid, and the successful bidder must have the ability to obtain the Town of Wytheville business license.

Individuals or firms with inquiries regarding the work or desiring to review the structure should contact the Town of Wytheville Museums at 115 West Spiller Street at 276-223-3330.

The Town of Wytheville reserves the right to accept or reject any or all bids, or accept the bid which, in the Town's judgement, is in the best interest of the Town. The Town further reserves the right to waive any informality or irregularity in the bids.
