Facility Closure – Updated 3-25-20

The governor announced that effective at 11:59 p.m. on Tuesday, March 24 that recreation centers must close for at least 30 days. Due to this announcement the Wytheville Community Center and 4th St Civic Center will be closed for at least 30 days. Current closure is Monday, March 16 through Thursday, April 23, at minimum.

Additionally, all Town of Wytheville Parks and Recreation programs, athletic leagues, fitness classes and rentals are canceled during this time.

We are taking this action to keep our participants as safe and healthy as possible and to minimize exposure to COVID-19.

Pass Plan Information

- Prepaid monthly, six month and annual pass plans – will have the number of days closed added to the end of their current term.
- Continual pass plans – will be issued an account credit for the number of days closed toward their next scheduled monthly auto draft therefore reducing that monthly deduction. There will not be a monthly deduction for April.

Aerobic Classes

The aerobics staff has and will continue to offer aerobic opportunities via Facebook with workouts that you can do at home.

Parks and Shelters

Crystal Springs Recreation Area, Elizabeth Brown Park and Withers Park will remain open for public use. Community members are encouraged to use our parks, but not to congregate in groups more than 10 and to follow continuing public health guidelines.

Upcoming Special Events

- The Easter Eggstravaganza scheduled for Saturday, April 4, has been canceled and may be rescheduled at a later date.
- The New River Valley Senior Games for 2020 has been canceled.

We will continue to update our Facebook page and our website with any additional information as it develops. Thank you for your support and understanding.
