FALSE ALARMS

A service charge of twenty-five dollars (\$25.00) shall be assessed for a **seventh** false alarm and each successive false alarms, occurring within the twelve-month period from July 1 to June 30 of each year, **which results in fire department response to the alarmed premises**, regardless of the cause of the false alarm or malfunction signal. This service charge shall be payable within thirty (30) days of written notification to the subscriber or owner of the alarm system and will be assessed on a quarterly basis. Late payments shall be assessed a ten (10) percent penalty.

A service charge of twenty-five dollars (\$25.00) shall be assessed for a **thirteenth** false alarm, and each successive false alarm, occurring within the twelve-month period from July 1 to June 30 of each year, **which results in police or rescue response to the alarmed premises**, regardless of the cause of the false alarm or malfunction signal. This service charge shall be payable within thirty (30) days of written notification to the subscriber or owner of the alarm system and will be assessed on a quarterly basis. Late payments shall be assessed a ten (10) percent penalty.

All such fees shall be payable to the treasurer of the Town of Wytheville.
